Instructions for Use

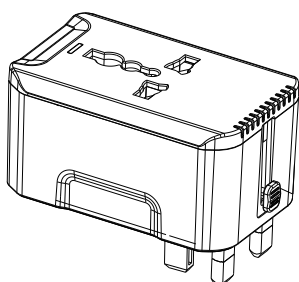

USA/Australia

Gently press the button and slide to the right to extend the USA/Australia plug. Ensure the contact blades are positioned in parallel.

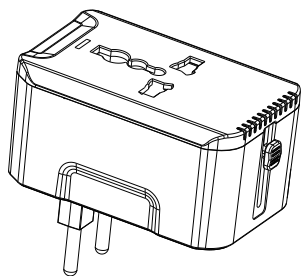

Australia/New Zealand

Gently press the button and slide to the right to extend the Australia/New Zealand plug. Ensure the contact blades are rotated to a "Y" position.

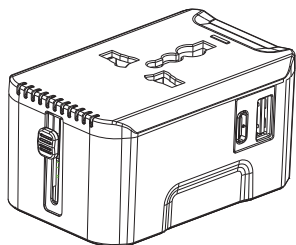

United Kingdom

Lightly press the button and slide to the left to extend the UK plug. Extract the insulated ground pin from the housing.

Europe

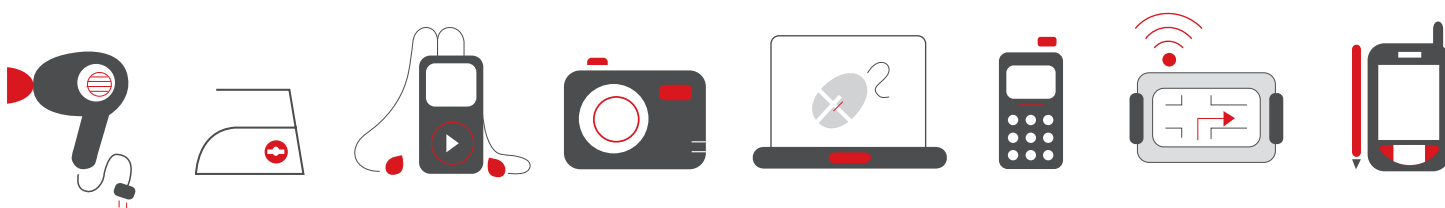

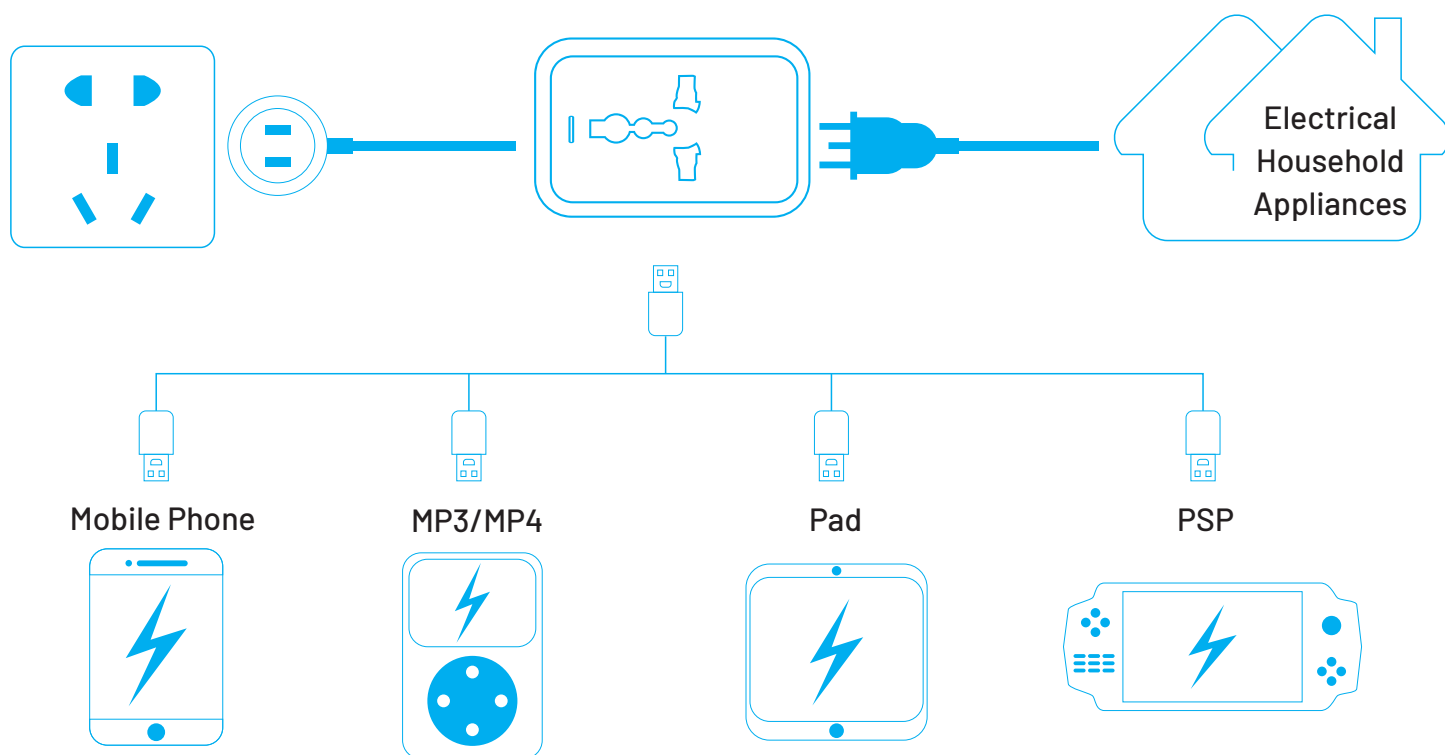

Slide the button back to the center. Press the button to release the European plug.

1. Type-C: 5V/3A, 9V/2.22A, 12V/1.67A at 20W
2. USB-A: 5V/3A, 9V/2A, 12V/1.5A at 18W

Compatibility

The device can be used to connect the following devices to a power supply source.

Max: 1380W 230V, 660W 110V

Caution

1. Please read these instructions carefully before use.
2. This product does not convert voltage (AC-AC).
3. To avoid potential damage to your device or other safety hazards, ensure the power outlet you intend to use has the proper voltage for your device before using this adapter.
4. Each country has specific regulations regarding the use of travel adapters. Please check the requirements in each country before use.
5. This product is designed for use with unearthed or double-insulated appliances only.
6. The electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your local authority for recycling advice.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
